

# Pricelist Ropework

## *The ropewalk i Hardanger*

*We place great emphasis on high quality in our products – from material selection to production.*

*We tailor ropes to the intended purpose and provide guidance on proper choice and maintenance.*

## CUSTOM ORDERS

We produce rope from all kinds of natural materials — everything from hemp, cotton, wool, rags, hair, hide, and more. **Contact us for a price quote!**

### **Please note:**

There may be lead times on some products, so we recommend ordering well in advance.

## PROJECTS

Feel free to contact us for a quote on:

- Ropework such as splicing, whippings, etc.
- Rigging projects
- Courses and education in rope making, rope use, and maintenance
- Reconstruction of historical objects
